## PHOTOGRAPHY VITAE STATEMENT:

I enjoy taking photos and sharing with others how I got a particular shot. As with most things in life, I find I'm not re-inventing the wheel with photography but rather adding to the collective body of knowledge already out there in how I would take a particular photo. In order to do this, I actively participate in photography contests, showing my photography, and photography clubs.

## CONTEST EXPERIENCE:

### **The Hubbard Museum of the American West, Ruidoso Downs, NM**

- In 2003 received an Honorable Mention in the American West Category for "Reflections in a Hoot Owl's Eye."

### **World in Focus, Seattle, WA**
