PHOTOGRAPHY VITAE STATEMENT:

I enjoy taking photos and sharing with others how I got a particular shot. As with most things in life, I find I'm not re-inventing the wheel with photography but rather adding to the collective body of knowledge already out there in how I would take a particular photo. In order to do this, I actively participate in photography contests, showing my photography, and photography associations.

CONTEST EXPERIENCE:

Annual Sandhill Crane Festival, Othello, WA

- In 2005, 1st place in photography: "Frog & Flower."

The Hubbard Museum of the American West, Ruidoso Downs, NM

- In 2004, received an acceptance for "Space Needle."
